Celebrate 40 Years!

SWANA FL 2018 Summer Conference

July 15-17 | PGA National Resort Palm Beach Gardens
July 15, 2018

I am so happy that you’re here to help us celebrate the SWANA Florida Sunshine Chapter’s 40th anniversary! To honor that occasion, we’ve invited some of our longer tenured (and now retired) members to share their experiences. Our opening session should be enlightening with some of our young professionals interviewing these solid waste veterans.

I hope you enjoy the full two-day program we have planned at this beautiful PGA National Resort. I especially want to thank the Solid Waste Authority of Palm Beach County (SWA) for hosting us. We are touring their facilities as part of the conference program, which is something you don’t want to miss. We also have a fun event planned for our Monday night dinner so don’t sneak away—when was the last time you had an opportunity to play Mini Glow Golf?

We have expanded our roundtable discussions after the rave reviews they got last time. Consider staying and participating in these conversations. You might go home with some practical solutions to a common problem, or maybe you’ll be able to help someone with an issue you’ve shared.

As always, I want to thank everyone who helped make this conference possible, particularly our exhibitors and sponsors. We truly appreciate your support!

While you’re here, try to learn something, meet someone, reconnect with old friends, and have some fun. Those are my goals for this week.

Sincerely,

Tammy Hayes
A Special Thank You to Our Golf Tournament Sponsors
