Thanks to the generosity of our community, SHFB was able to distribute 63 million meals last year.

That's enough to feed 53,000 people a day in our community.

Who is hungry in Central Florida?

- Hunger affects:
 - Children in low-income families
 - Underemployed individuals and families (the “working poor”)
 - Seniors who are living on fixed incomes
 - People who are sick or disabled

The Hunger Picture in Central Florida

THE HUNGER PICTURE **Central Florida**

1 in 7 people are food insecure.
Nearly **half a million** people will find it necessary to seek help with food this year.

Our mission is to create hope and nourish lives through a powerful hunger relief network, while multiplying the generosity of a caring community.

The Impact

- Food Distribution is up 26%
 - Total distribution since moving in to the new facility has been over 100 million meals.
- Fruit and vegetable distribution is up 30%
 - Over 20 million pounds of produce has been distributed: 440 truckloads.

The Impact

- Volunteerism is up!
 - The Walt Disney World Volunteer Work Area is bringing in more volunteers that previously had to be turned away due to lack of capacity.
 - We set a 30 year record...
 - Over 144,000 volunteer hours since moving in.
 - In kind value of time: \$2.4 million

WHO IS HUNGRY
IN THE WORLD TODAY?
WE ARE...
IN THE NORTH TRYING, WE ARE CHILDREN,
WE ARE PEOPLE WITH DISABILITIES, WE ARE DISABLED,
WE ARE HOMELESS, WE ARE... BE SURE YOU FEEL
THE LOVE OF GOD...

Efficiency

- Our cost to distribute one pound of food has been reduced by 60%
- New Technology is resulting in increased benefits in terms of cost and time savings:
 - Bar code scanning of inventory results in faster and more accurate tracking.
 - Our inventory is “real time’ and available to Partner Agencies for on-line ordering resulting in enhanced service and convenience.
 - Our fleet of 20 trucks and the GPS Routing System is cutting our annual mileage by over 40,000 miles. Every diesel dollar saved equates into more food being distributed.
