

Call for Papers

2023 SWANA FL Summer Conference

July 23-25, 2023

Hilton Daytona Beach Oceanfront Resort

We're heading to the East Coast for SWANA FL's next conference, and we want you to be a part of it!

Please consider joining us at the SWANA FL 2023 Summer Conference as a presenter. This is a great opportunity to share your projects, innovative ideas and success stories. Come share information with colleagues and be part of this exciting event. Get your abstracts in today!

Preference will be given to group activities, discussion panels, team building sessions and interactive presentations.

Suggested Topics:

- Management and Leadership
- Rate Analysis/Financing/Efficiency Studies
- Waste Reduction/Recycling/Zero Waste
- Communications/Public Relations/Outreach
- MSW Health & Safety Practices
- Solid Waste Collection Programs
- Landfill Design/Operations
- Waste-to-Energy/Conversion Technology
- Special Waste/Beneficial Reuse
- Disaster Debris Management
- Transfer Station Operations & Design
- Recyclable Contamination Issues

*** Abstract Deadline – Friday, April 7, 2023**

Speaker Benefit – Reduced conference registration!

Submit an abstract on any of these topics, or another pertinent subject of your choice, to <https://cvent.me/5r371N>

- 1) An abstract of 500 words or less that includes:
 - Presentation title and the presenter's name, affiliation, address, phone/e-mail;
 - A brief description that summarizes the work and indicates and why this is significant to the industry; and
 - A statement of the major conclusions or messages!
- 2) A Biographical Sketch, highlighting career and presentation experience
