 - Florida Atlantic University

Look for announcements to watch through the SWANA website

SWANA's Technical Divisions

COLLECTION & TRANSFER

The Collection and Transfer Division tracks equipment innovations and analyzes developments in the collection and transfer of refuse and recyclables.

[VIEW THE COLLECTION & TRANSFER TECHNICAL DIVISION](#)

COMMUNICATION, EDUCATION & MARKETING

The Communication, Education & Marketing Technical Division uses words and images to promote the solid waste industry.

[VIEW THE COMMUNICATION, EDUCATION & MARKETING TECHNICAL DIVISION](#)

LANDFILL MANAGEMENT

The SWANA Landfill Management Technical Division is committed to increasing awareness of the role that landfills play in solid waste management.

Call for Nominations

YP Open Technical Division Positions

SWANA is now accepting applications for open Young Professionals Technical Division positions. The positions will advance the mission of the Young Professionals (YPs) group in their respective technical divisions.

[More details and submit](#)

LANDFILL GAS & BIOGAS

SWANA's Landfill Gas and Biogas Technical Division is widely recognized as the premier authority on issues surrounding landfill gas (LFG).

[VIEW THE LANDFILL GAS & BIOGAS TECHNICAL DIVISION](#)

PLANNING & MANAGEMENT

The Planning and Management Technical Division at SWANA focuses on innovative solutions to challenges faced by solid waste decision-makers.

[VIEW THE PLANNING & MANAGEMENT TECHNICAL DIVISION](#)

SUSTAINABLE MATERIALS MANAGEMENT

The Sustainable Materials Management Technical Division is dedicated to environmental sustainability and minimizing municipal solid waste disposal.

[VIEW THE SUSTAINABLE MATERIALS MANAGEMENT TECHNICAL DIVISION](#)

WASTE CONVERSION & ENERGY RECOVERY

The Waste Conversion and Energy Recovery Technical Division provides information and contacts about new technologies for converting waste into power.

- 3 \$5K scholarships available:
 - <https://swanafl.org>
 - Click on Committees, then Awards & Scholarships for info & applications
 - Due May 1st

What else does SWANA do for you?

SAFETY MATTERS IS NOW SAFETY FIRST

SWANA is proud to announce that *Safety Matters* has been rebranded as *Safety First*. This name change reflects the decision to make moving the waste collection industry off of the US government's list of 10 most dangerous jobs—the first goal in [SWANA's Strategic Plan](#).

Safety First will continue to provide the same helpful tips and information every week to help you reduce injuries, collisions, claims, and costs.

LET'S ALL WIN NEXT SUNDAY

The Philadelphia Eagles will face-off against the Kansas City Chiefs in Phoenix next Sunday in one of the biggest sporting events of the year. It's a great time to get together with friends and family, no matter who you cheer on. We can all win by following these *safety* tips for the big game.

Safety First in English

Safety First in Spanish

Safety First in French

What else
does SWANA
do for you?

SWANA and its Chapters are Interdependent

We feed them and they feed us

How to get involved

- Start at the chapter level
 - Attend meetings
 - Join committees
 - Run for board positions – nominations open in March
- Attend SWANA events
 - SOAR
 - WASTECON
 - International Road-E-O
- Join technical division
 - Volunteer
 - Express interest in leadership
- Talk to current board members
- Show up, raise your hand, follow through

SOAR

SUSTAINABILITY. OPERATIONS. ACTION. RESOURCES.
Technical Solutions for Resource Management

APRIL 17-20, 2023 | ATLANTA, GA

SOAR is SWANA's fully integrated technical event that brings together industry professionals and experts from all disciplines of the resource management community.
